

# KAI KIGHT

INNOVATIVE KEYNOTE SPEAKER & COMPOSER

## MEET KAI

As a classical violinist turned innovative composer, Kai Kight uses music as a metaphor to inspire individuals and organizations across the world to compose paths of imagination and fulfillment. Inspired by his own mother who, when diagnosed with cancer, revealed regrets of not bringing her ideas to the world, Kai is on a mission to spark a global mindset shift in which ingenuity is the norm, not the exception.

In his emotionally powerful presentations, Kai performs mesmerizing original music and vulnerably shares stories from his own transformation as an artist. Kai translates these insights into takeaways that audiences can easily infuse into their own lives and work environments.

## COMPOSE YOUR WORLD

Why do some people just play notes they are handed while others write new music in the world? In this captivating presentation, Kai Kight tackles this question, performs original music and shares the inspiring story of how he became an innovative composer in a field of conformity. His session will leave you feeling inspired to take your future into your own hands and bring your unique ideas forward.
