

Give magic to the children in our **Early Childhood Program** this holiday Season!

Sponsor our preschool so that we can gift each child a gift for the holidays.

We believe that every child deserves to experience the joy and wonder of the holidays they celebrate- it's such a special part of being a child!

We are looking for local businesses, companies or organizations to support our Early Childhood program by donating gifts or financially supporting this initiative.*

Our program has been a part of this community for over 20 years, focusing our energy on putting children, youth and families FIRST. We are an integral part of what shapes the next generations of our world. Our Early Childhood program provides quality education of children 0-5 years old, and it identifies resources needed to help our families to thrive.

Let's work together to make this holiday season a special for each child.

Hurry now and get in touch with us if your organization would like to donate gifts or sponsor one of our preschools!
